## St. Anne's School Newsletter – February Edition

### ☀️ Focus for February: Maths Concept – Data & Chance

This month, students will explore Data and Chance, learning to collect and interpret information. Here's how you can support learning at home:

- **Sorting & Counting:** Sort household items like laundry, toys, or groceries into categories and count each group.
- **Weather Data:** Keep a family weather chart for the week and discuss trends (e.g., sunny, rainy).
- **Dice Games:** Roll dice, predict outcomes, and record results to discuss probability.
- **Family Surveys:** Create simple surveys (e.g., favourite food or colour) and create charts to display results.

### 👋 Lámh Signs for February: Scared & Love

Continuing with our **Emotions Theme**, this month, we're introducing the Lámh signs for "Scared" & Love

Link for YouTube videos to support:

**Love:** <https://www.youtube.com/shorts/gB2OwMAySh0>

- **Practice Tip:** Use these signs during storytime or when discussing emotions at home.
